

EGREMONT CONSERVATION COMMISSION

MINUTES

OCTOBER 22, 2020

Members present virtually: Tynan, Seligman, Fakelman, Campbell, Riordan

Guests: None

Called to order 5:32

Reading of Governor's protocols for Zoom meetings.

Approval of minutes of September 24 and October 8.

Projects New and Ongoing:

Ashe-Kinney, #153-0233. Lacked a stamped signed plan from Mike Parsons, now in hand. Concom members will sign the NOI (Notice of Intent) at the Town Hall drop box for filing with the Commonwealth.

Brent White, White Engineering re: RDA (Request for Determination of Applicability) for Lot 5, White's Hill Rd. subdivision. Seligman will be project lead, as Tynan recused himself as an abutter. Public Hearing tentatively scheduled for November 12.

Site Visits:

Fakelman et al visited the French Park Pollinator project. Project plan appears to provide appropriate wetlands safeguards. Further discussion at the next meeting.

74 Prospect Lake Rd., Mike Stevens. Tynan did solo site visit as no other members were available. All in order.

Correspondence:

Inquiry from Mona Kanin re: invasives removal. Tynan responded. Also re: Saxon tree harvesting. Not a Concom issue.

Inquiry from Egremont Land Trust re: Greenagers work on Baldwin Hill Fen. Most likely just invasives removal. Recommended Will Conklin file a Project Review Form.

Administrative:

Tynan reviewed pending Building Permit requests. Found no Wetlands issues. Signed off.

Town Annual Report: Seligman will provide Tynan with electronic copies of year's minutes for review of RDAs and NOIs issued and other matters of importance. All members encouraged to provide Tynan with highlights for the year for our report.

Concern about apparent corruption of the Concom email system. Members have not been able receive email addressed to Concom. Members will communicate by individual emails until system is repaired, but concern that community members will not be able to communicate with the Commission. Tynan will discuss remedies with Town Office.

Next regularly scheduled meetings November 12, December 17.

Meeting adjourned 6:02 p.m.

Respectfully submitted: David Seligman
